

# How to: Start a Free Jira Project

Go to <https://www.atlassian.com/software/jira> and click the **Get it free** button:

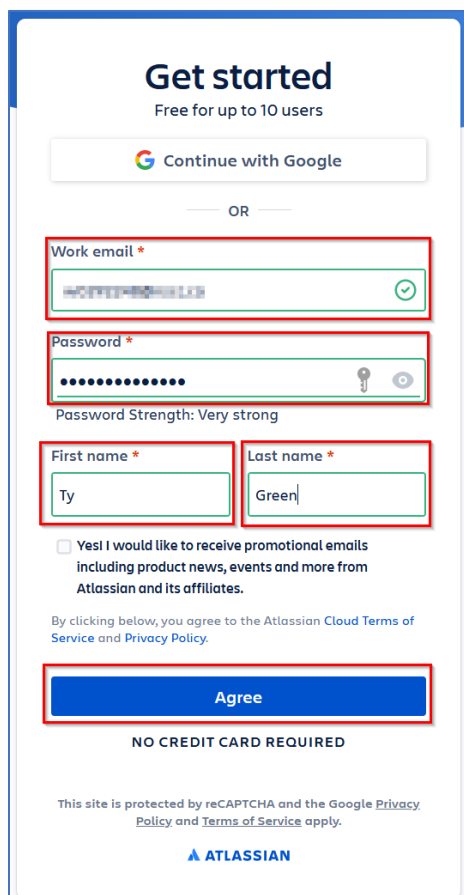

On the following page, click the **Next** button:

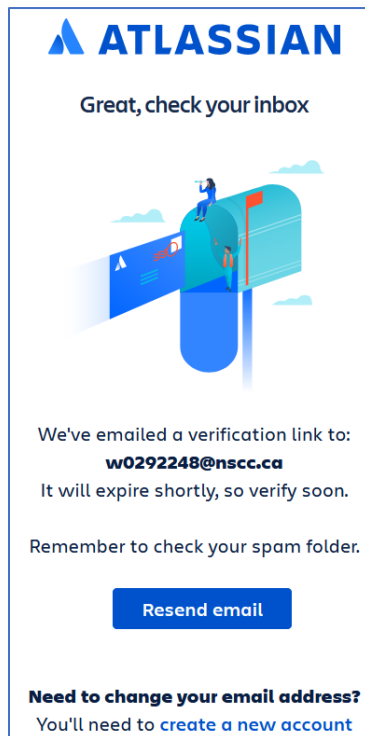

Click the **Sign up with email** button:

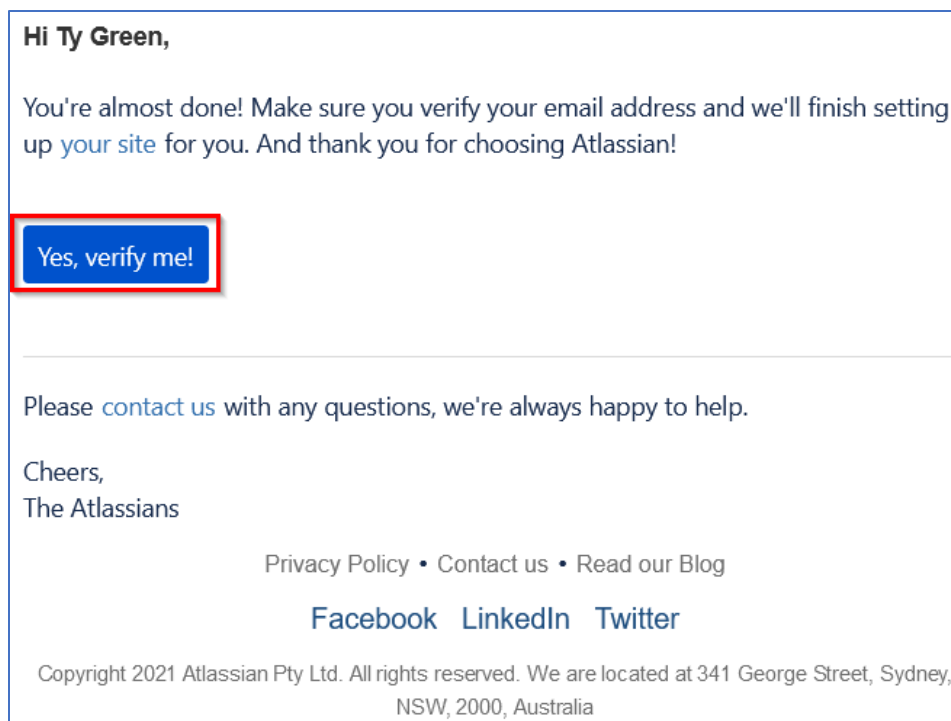

Enter your email, password, first name, and last name in their corresponding textboxes.  
Click the **Agree** button:

The image shows the Jira Software Cloud Free sign-up form. At the top, it says "Get started" and "Free for up to 10 users". Below this is a "Continue with Google" button. Below the button is an "OR" separator. There are four textboxes: "Work email \*", "Password \*", "First name \*", and "Last name \*". The "Work email \*" textbox contains "ty@green.com" and has a green checkmark. The "Password \*" textbox contains "\*\*\*\*\*" and has a key icon and an eye icon. Below the "Password \*" textbox is the text "Password Strength: Very strong". The "First name \*" textbox contains "Ty" and the "Last name \*" textbox contains "Green". Below the textboxes is a checkbox with the text "Yes! I would like to receive promotional emails including product news, events and more from Atlassian and its affiliates." Below the checkbox is the text "By clicking below, you agree to the Atlassian Cloud Terms of Service and Privacy Policy." Below this text is a blue "Agree" button. Below the "Agree" button is the text "NO CREDIT CARD REQUIRED". At the bottom, there is a small text that says "This site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply." and the Atlassian logo.

On the following page, you will be prompted to check your email for a verification link:

Sign-in to your email. The verification email will resemble the image below. Click the **Yes, verify me!** button:

After clicking the verification button in your email, you will be redirected to the page below. Enter a name for your site in the textbox. Click the **Continue** button:

## Let's get started

Give your site a name

Choose something familiar like your team or company

.atlassian.net
